Mr. N Pallegar, Esq., L.A., LL.B.,
Secretary to Government,
Revenue Department,
BANGALORE.

Sir,

I have the honour to state that at the time of the meeting of the Board held on the 26th April 1947, one of the members proposed that a Clock be provided to the meeting Hall as this was an absolute necessity

The proposition was agreed to in general and the following resolution was passed

"That sanction of Government be obtained for the purchase of a Clock for being put up in the Meeting Hall"

In this connection, I may state that at the time of the formation of the Trust Board only one Clock and two time-pieces were purchased for the whole Office and this is absolutely inadequate considering the bulk of the staff and the extensiveness of the Office building. One Clock for the Meeting Hall is however absolutely necessary

I request that sanction of Government may kindly be obtained to the purchase of a Clock through the Stores Purchase Committee

Sir,

Re purchase of a clock for the Meeting
Hall of this office

With reference to your letter No L 16477 dated 28-5-47 requesting to intimate the approximate cost of the Clock and the source to which the expenditure in question would be debited, I have the honour to state that the Secretary, Stores Purchase Committee who was asked to furnish a copy of the Current S.P.C. Local Indent for clocks and time-pieces, has intimated in his No SPC 31072 dated 22.5.47 that no contract was let out for clocks and time-pieces during the year and that the requirements of this office might be got from the approved firms after calling for quotations. Accordingly, rate lists have been called for from the approved firms, whose replies are awaited. After the receipt of rate lists from the firms, the cost of the clock would be intimated. The expenditure on this account would be met out of the Savings in the provision of Rs 8,318/- made in the

absolutely necessary. Price lists for the supply of
Pieces were also called for from approved firms of whom -
Messrs A.B. Khaleel & Sons, have offered a rate of Rs 45/-

Re Purchase of one Clock and Two Time-
Pieces for the use of the Trust Board.

In continuation of this Office letter No.3318 -
dated 5-6-1947, I have the honour to state that price lists
for the supply of Clocks and Time Pieces have been since -
received from the marginally noted Six approved Firms. Of
these only one Firm Messrs
1. The Time Shop. |
2. M/s. A R Khaleel & Sons. | Jalal & Sons, Madras, have
3. " Barton Son & Co, Ltd | offered a rate of Rs.115/-
4. " Jalal & Sons, Madras, | and Rs 105/-(plus Sales Tax)
5. " T Rama Rao. |
6. " West End Watch Co |
for Clocks of English make
"Enfield" All other Firms have expressed their inability
to quote prices for want of stock

Before the Constitution of the Trust Board, only
two Time Pieces were purchased - one for the use of the Engi-
neer Officer and the other for the Assistant Engineer, Trust
Board. Now two more time-pieces, one for my use and the -
other for the use of the Special Land Acquisition Officer,
who has recently joined duty in this Office are found to be
absolutely necessary. Price lists for the supply of Time-
Pieces were also called for from approved firms of whom -
Messrs A.R Khaleel & Sons, have offered a rate of Rs 45/-

P T.O.

for "Big Ben" base model which is durable though a little costlier than the other makes offered by other Firms

I therefore request that sanction of Government may kindly be obtained to the purchase of one Clock from Messrs. Jalal & Sons, Madras, and two time-pieces from M/s. A.^R Khaleel & Sons, Bangalore, at a total cost of -
(Rs 115/- plus Sales Tax + 90/-) = Rs.205/- which will be met out of the savings in the provision of Rs 8,318/- made in the Current year's Budget for the purchase of T & P. Furniture etc.

The Six original Price lists received from firms are enclosed for reference and return. I request the favour of very early orders in the matter.

I have the honour to be,
